Kunde anmeldelser guide - Testimonials Rules

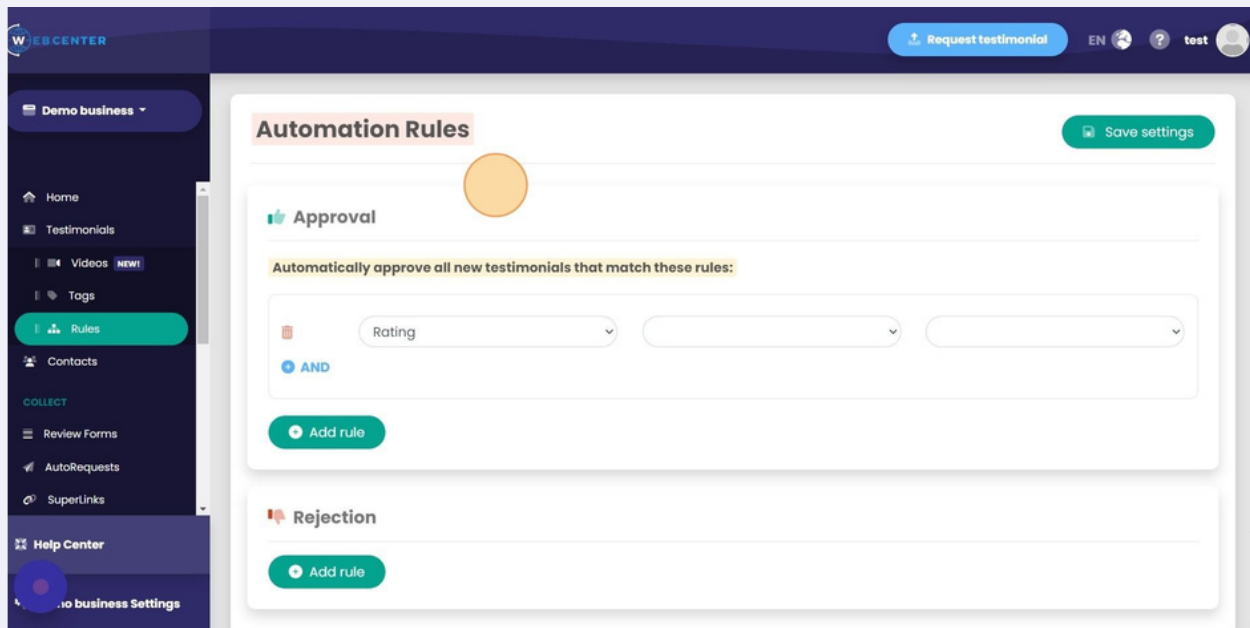

Brug "rules" til automatisk at godkende eller afvise anmeldelser.

1

Gå til "Rules" under testimonials:
<https://review.webcenter.dk/testimonials/rules>

2

Med "Rules" kan du lave automatiske regler for dine anmeldelser. Så de enten bliver automatisk vist på din hjemmeside eller andre steder eller ikke vises. Tryk på "Add rule" under approval for at lave regler for godkendte anmeldelser f.eks. hvis de har mindst 4 stjerner.

3

Lav ligeledes regler for at afvise anmeldelser under "Add rule" Rejection f.eks. ved at afvise anmeldelser under 2 stjerner.

The 'Approval' section has a heading 'Automatically approve all new testimonials that match these rules:' followed by a rule configuration box. The rule configuration box has a 'Rating' dropdown menu set to '2' and an 'Add rule' button. The 'Rejection' section has a heading 'Automatically reject all new testimonials that match these rules:' followed by a rule configuration box. The rule configuration box has a 'Rating' dropdown menu set to '2' and an 'Add rule' button. An orange circle highlights the 'Add rule' button in the 'Rejection' section.
